COUNTY CONSERVATIVE CONVENTION .-The County Conservative Convention, for the purpose of nominating two candidates for the House of Delegates from this county, met at the Sun engine-house to day at noon, and was called to order by Hugh Latham, Chairman of the County Committee.

Gen. M. D. Corse was elected President, and J. II. Fowle, Secretary.

Messrs. Wm. Kilgour, M. Slaughter, J. E. Green, J. M. White and H. W. Febrey were appointed a committee on credentials, and reported the following as entitled to seats: First Ward-J. E. Green, W. A. Moore, Wm, Dobie, Orlando Wood. Second Ward-George II. Harlow, Mercel

Slaughter, L. D. Harrison. Third Ward - M. Marye, Wm. Kilgour, E. L. Breckett, R. M. Crook, M. D. Corse, J. H.

Fowle. Fourth Ward-L W. Reid, J. M. White J. T. Sweeny.

Jefferson District-John R. Johnston. Washington District-II. W. Febrey. Arlington District-Not represented. Upon a call of the roll it was ascertained that

all of the members were present. Nominations for members of the House of Delegates were then made.

Mr. Harrison nominated Alexander Hunter. Mr. Wood offered a preamble and resolutions, which he desired to have read, but which were ruled out of order.

Mr. J. R. Johnston seconded Mr. Hunter's Lesq. nomination on the part of the county, and culo rised his fitness for the position. Col. Marye nominated George A. Mushbaoh

A motion was made to declare Messrs. Mush ach and Hunter nominated. Mr. Wood said his resolution had been chok ed oil, otherwise he might have had a candidate

o propose. The Chair disclaimed any intention of chok ne off

Mr. Wood said he did not refer to the Chair. Mr. Kilgour wanted a full, fair and free expression of opinion, and moved to reopen the nominations and hear Mr. Wood's resolutions.

Mr. Wood's resolutions were then read as

ollows: Whereas some dissatisfaction exists in the conservative party as to the manner of electing delegates to this convention from the Third and Fourth Wards of the city of Alexandria,

Whereas, without expressing an opinion as to the grounds for such dissatisfaction, it is the conviction of this Convention that the nomination of either gentleman of the city, whose name has been prominently mentioned in connection with the matter will endanger the success of the party; therefore,

Resolved. That all the gentlemen from the ity whose names have been before the people se requested to withdraw, and thereby insure the success of the party at the next election. Col. Marye objected to the reception of the

resolutions on the ground that the delegates from one Ward had no right to question the election of delegates from another. Mr. Wood thought the body had a right to

udge of the qualifications of its own members. The resolutions were then laid on the tableayes 15, noes 2-Messis. Wood and Moore. Mr. Wood then nominated Hugh Latham Mr. Febrey had the highest regard for Mr.

Latham, but according to the instructions of as the choice of the city. The vote was then taken resulting:

1,3694 481 On motion of Mr. Wood the nomination of Messrs, Hunter and Mushbach was made unan-

Messrs, Kilgour, Wood and Johnston were appointed to inform the gentleman named of their nomination.

In a short time they returned, accompanying Messrs, Hunter and Mushbach, who both returned thanks in short but appropriate speeches. The convention then adjourned.

THE CANAL STRIKE,-The Cumberland News denies the reported stabbing of Captain O'Neil, while attempting to pass the blockade

at Sir John's Run, and further says :-"Yesterday a coal shipper at this city represented to President Gorman, of the canal, who spent a few hours here, that boats were being stopped at the blockade and requested him to inaugurate measures looking to the clearing of the channel. Mr. Gorman stated that that was the first time the matter had been stated to him in that form, and that he would look

into it at once." The Alleganian says : -"The strike is now virtually ended, at least such seems to be the opinion of the trade generally. The fourth of the boats destined for Williamsport under the recent diplomatic arrangement as set forth in yesterday's paper, left part yesterday. One Mr. Boyer, a boat man, was canvassing town yesterday with a SUGAR-CURED SHOULDERS AND BREASTS, just out of smoke, received and subscription paper to assist his striking broth ren. We hear that some money was raised in

this way. "It was reported on the streets yesterday that the Ludlow Patton passed through the

blockade yesterday.' The Civilian of yesterday says : --"The canal is still enjoying a period of rest, which is painful to all parties concerned, and the Baltimore and Ohio Railroad gets away with the entire coal trade of the region. During the week closed yesterday the shipments of coal from Piedmont alone amounted to 17,000 tons, there being an average daily dispatch of 267 ears from that point, the heaviest trade it has had this season. The amount shipped over the Cumberland and Pennsylvania Railroad by way of Cumberland, we have not learned,

but it was doubtless as heavy as usual. COMMITTEE MEETINGS. -The Committee on Public Property of the City Council met on Saturday and organized by the election of Al derman J. T. Armstrong as chairman.

The Committee on the Poor also met and elected Alderman I. C. O'Neal chairman. The committee also ordered that advertisement be made for proposals for furnishing the poor with medicines and provisions for the month of

August. The Committee on Streets met on Saturday evening and ordered that the Superintendent of Police commence at once the repaying of King and Dake streets, as heretofore agreed upon. ADAPTED TO ALL SEWING MACHINES. This Treadle is one of the greatest improvements of the age, as by its introduction the objection to the use of Sewing Machines is obviviated, and instead of its being an unhealthy and laborious task, condemned by the medical fraternity and injurious to these who work them, by the use of this attachment the operation of the machine is positively a healthful and pleasant exercise. Several of these Treadles are now in use in our city, and we are permitted to refer to those who own them and who aver that they would not be without them for the original cost of the machine.
